Hi everyone and welcome to week 4… amazing but true!

Please make sure you keep up with the list of important dates in the newsletter. It does get added to each week.

Thank you to all those families who helped out with the BBQ at Westfields at Hornsby on Saturday. We raised a very tidy sum due to the fabulous support of our school community. It is so encouraging to know that we all value the education of our students.

Our last major fundraising event of the year is the ‘Hot Summer Night’ dinner dance which is coming up on Saturday 7 November. Please get your tickets soon as they are selling fast! This is a great opportunity to get some friends together for an end of year celebration and beat the Christmas rush!!!

Each year students and families are invited to attend Interrelate sessions held at Cowan Public School. These are most informative evenings which give families important information and understandings about good relationships and how we change as we grow. Notes have gone home with students so please return your intention to attend as soon as possible.

Thank you to all those families who have finalised payment of Semester 2 school fees. All schools have a fee structure that enables much needed funds to be collected and directed into educational programs. The students and teachers all benefit as we become increasingly well-equipped to deliver the highest quality teaching and learning programs.

If you have not been able to attend P&C meetings this year, now is the time to come along and get involved in the great community that makes Brooklyn Public School the fabulous school that it is! The next P&C meeting is to be held at an earlier time in the afternoon hopefully making it possible for more parents to attend. It will be on Thursday 5 November at 3.15pm in the school library. It would be great to see you there!

This Friday is World Teachers’ Day! What a great day to thank a teacher for the time, energy, passion, care, creativity, humour, resourcefulness, professionalism, love, zeal, dedication, devotion, fervour, joy, concern, friendship, interest and commitment they show to the education of our children!

We are getting to the time of the year when we do start to plan classes for 2016. These decisions are made after much thought and deliberation. I can assure you that all students will be receiving the very best education in whatever class they are placed in. It is often the case that these classes cannot be finalised until the beginning of the new year. It is always exciting to know who will be teaching what and all will be revealed at the beginning of the new year! Something to look forward to as we return to school in January!

We continue to welcome our new children to the 2016 Kindergarten Transition days. Please encourage anyone you may know with school age students to come along and visit the school to see the wonderful learning environment we have created.

All for this week

From the Library Shelves

We will have some exciting new cushions for the library in 2016. A big thank you to the two volunteers who have kindly offered to sew the cushions.

Thank you as well to the volunteers who have covered many books for student use with the new English Syllabus. Many hands make light work!!

Hi everyone!

If your child is booked in to ASC please remember to let me know if they are NOT attending! You can do this by calling HRCC or texting or calling the KIDS CLUB MOBILE.

If your child is on my list to attend ASC and I cannot contact you, I will keep them at kids club and you will need to collect them from there.

Again please be mindful that it is very stressful for both the children and myself when this happens.

All bookings must be made by calling HRCC on 9985-7362, OR on the kids club mobile: Kids Club Mobile Number : 0434 889 572 NO EMAIL BOOKINGS AS THIS IS NOT CHECKED EVERYDAY!!

Thanks, Anna
